

I'm Bismark Tabi
Amponsah, at
your service.

Ready to provide consultancy advice, Analyze
your data, Create Dashboards.

Email Me

btabi895@gmail.com

Why me? I'm very qualified to help.

A detail-oriented professional with expertise in accounting, finance, and data analytics. With over seven years in healthcare supply chain management, I have led teams, optimized operations, and provided technical support. Skilled in data analysis, project management, and business strategy. I am passionate about leveraging data-driven solutions in healthcare and business. Currently pursuing advanced certifications in analytics and cybersecurity while exploring opportunities in data entry, healthcare administration, and research.

What my clients say

MAVIS ADOMAKO

Bismark's expertise in analytics and business strategy has helped optimize our operations."

— John Mensah, Healthcare Administrator

SOFTLYF INC

"Exceptional service with a strong strategic edge. Bismark blends data-driven solutions with business intelligence seamlessly!"

— Kwame Boateng, Logistics Coordinators.

Let's work together!

Insights and Recommendations

*Peaks in sales results due to seasonalities, Holidays and Events.
eg., Special occasions drive sales

*Customer behavior; Weekend records highest sale with
Saturdays topping the trends

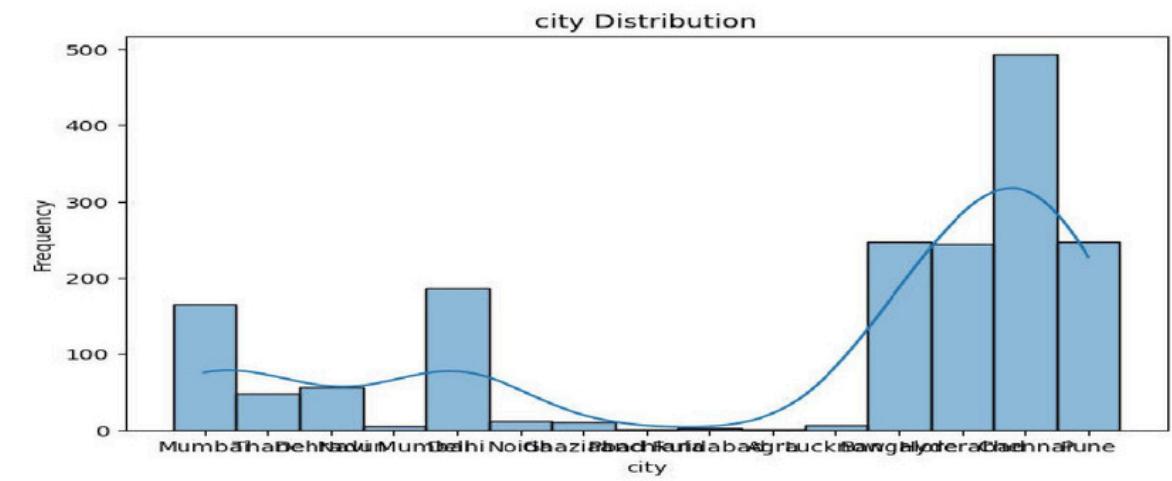

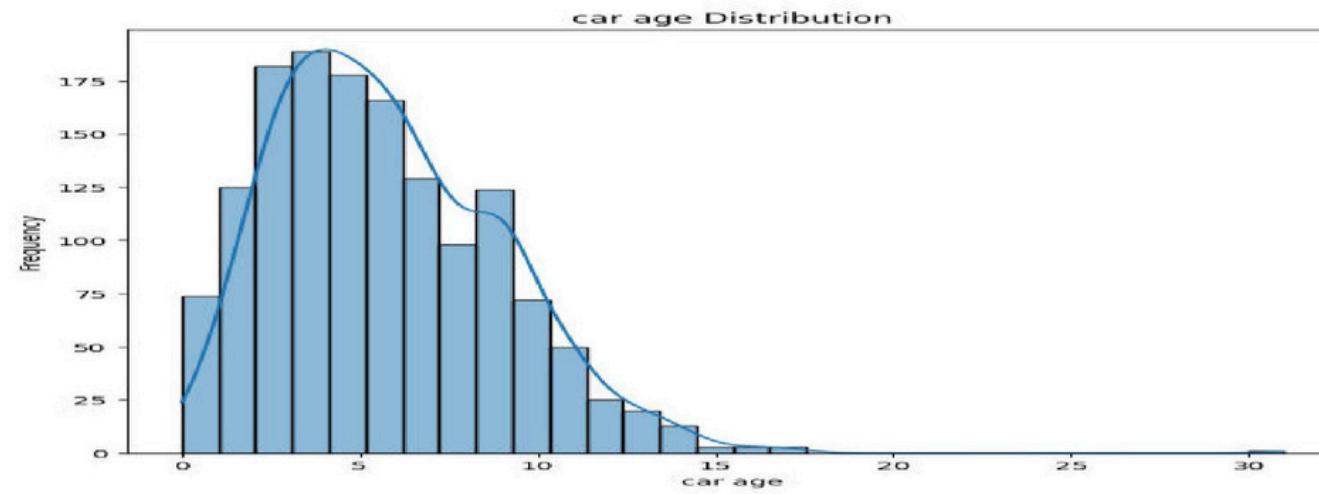

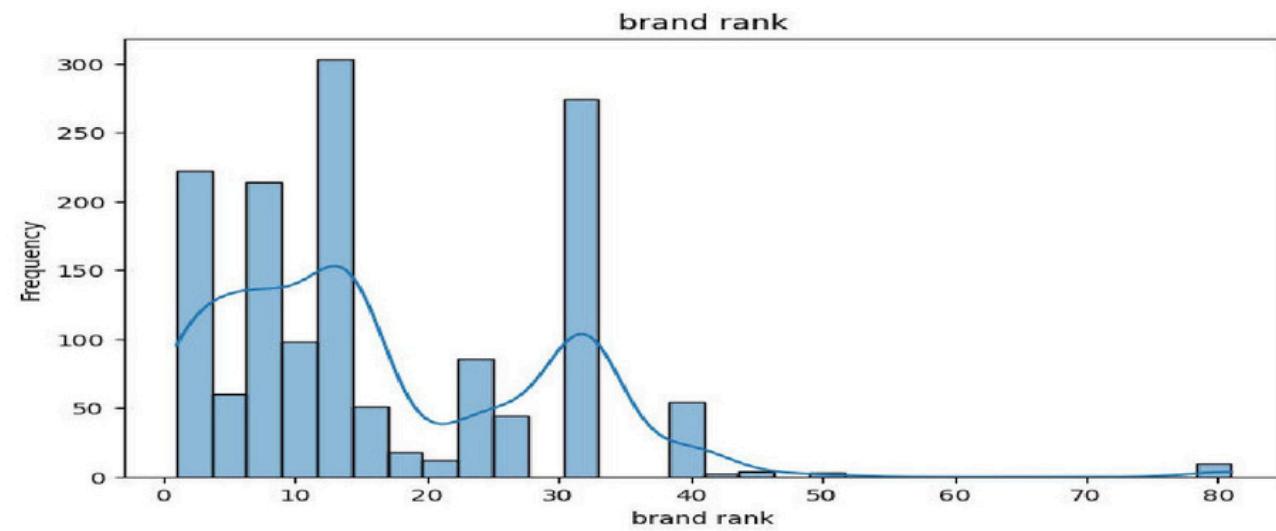

Recommendations

*Targetted Promotions; Offer discounts or bundle deals during
low sales months

*Rotate special items to maintain interest

*Loyalty Programs; reward customers for frequent purchases

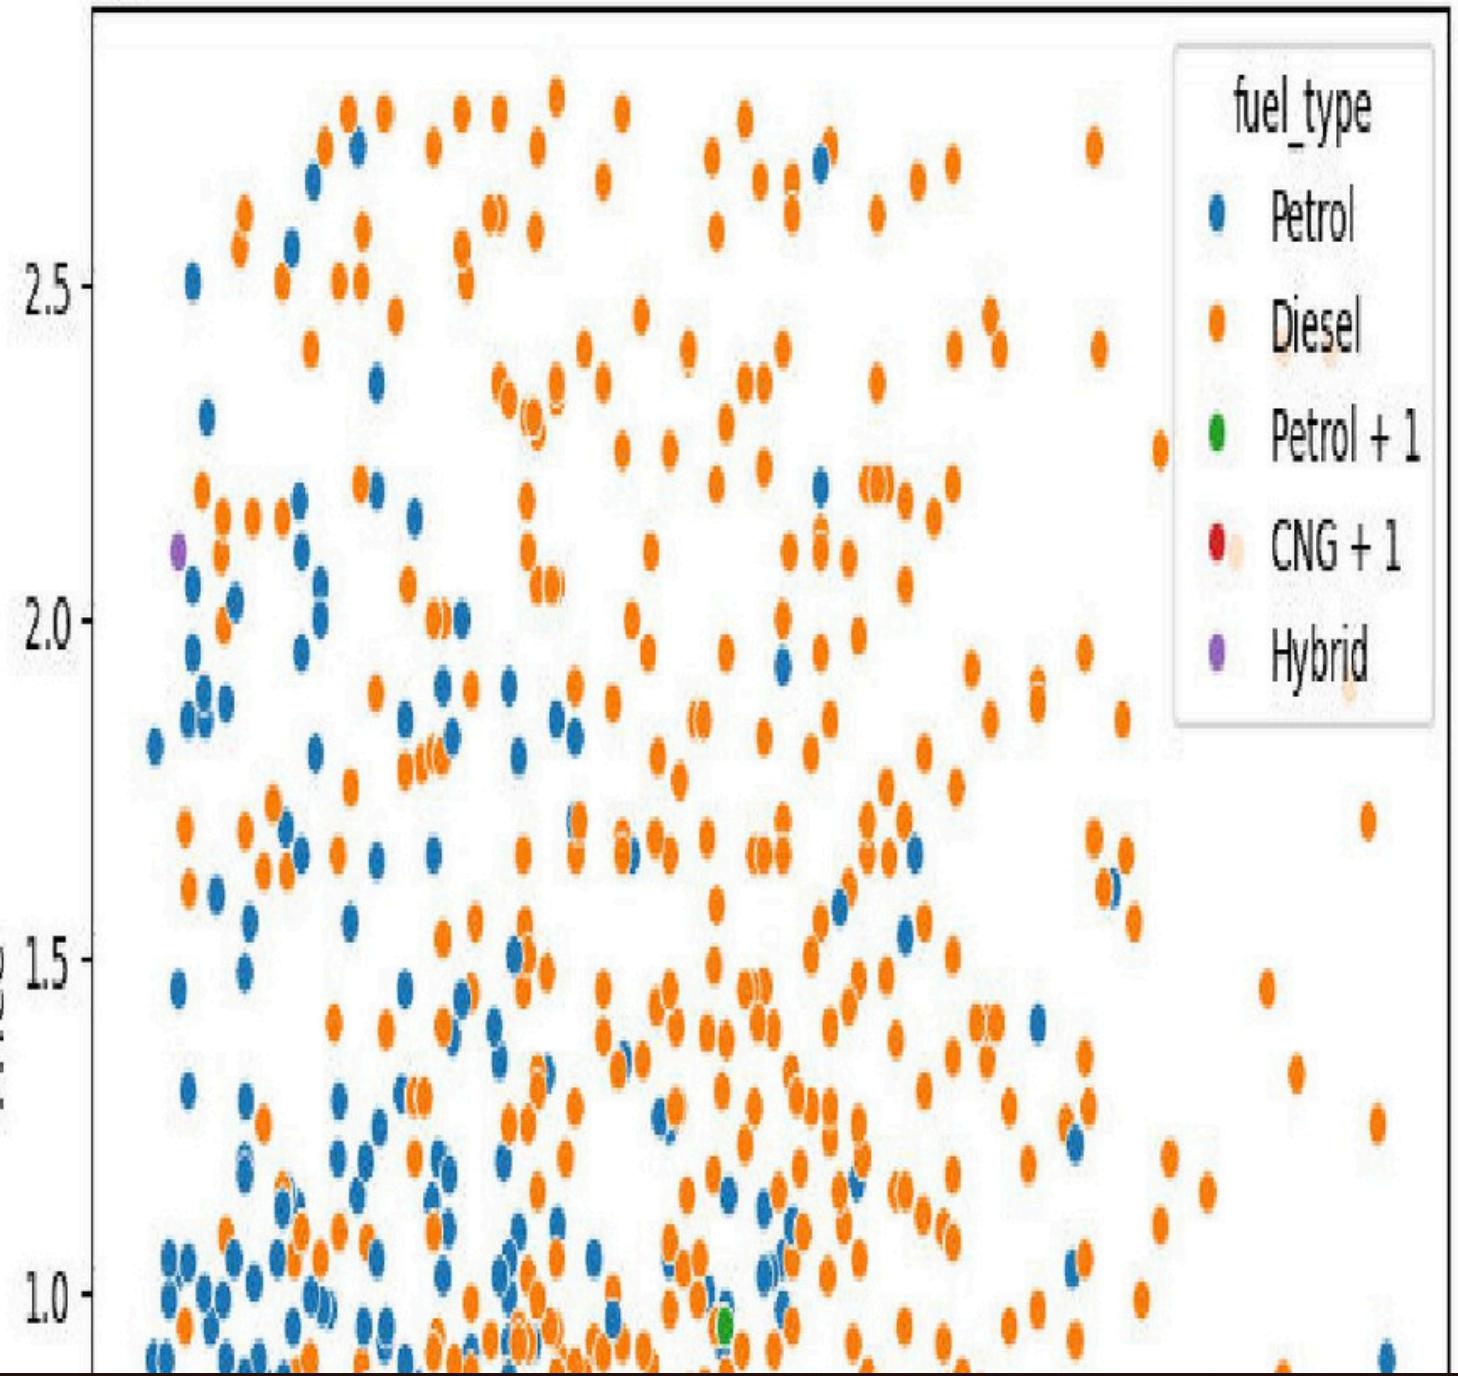

EXPLORATORY DATA ANALYSIS
